

2022 ANNUAL PERMITS ARE NOW ELECTRONIC!

What are electronic permits?

Permits will now be accessible online, and each permit will be attached to an individual's license plate. We will no longer be giving out beach ball decals, which means an eco-friendlier option.

BENEFITS OF ELECTRONIC PERMITS:

- Quicker and more accurate ticketing from our enforcement officers.
- Those who use rental cars will no longer have to track and transfer decals from car to car.
- It is no longer necessary to come into the office to wait in line. Your permit can be obtained from the comfort of your own home. Permits can still be purchased in person at City Hall. Please schedule an appointment in advance if you would like to purchase your permit in person. Please call 727-367-2735 or email kwilliams@stpetebeach.org to schedule your appointment.
- Online purchases can only be paid by credit card. For cash and check payments permits will need to be purchased in person at City Hall.
- Guest permits will also be digital and are no longer at a risk of loss, as they will not have to be transferred physically from car to car.
- Guest permits can now be personalized by you, 24/7 from any location. All you have to do is log into your web portal either on your computer or smartphone to update your guest's license plate number.

Permits which will still be issued physically:

- Daily party-pack permits will still be physical permits that can be obtained through a pre-order or in person.
- Contractor permits will be provided in office with approval from the building department.
- Unlicensed golf carts will need to obtain a registration decal to be placed on the golf cart.
- For those who do not have access to a computer or would like to pay in cash can come in with an appointment.

FAQ's

- *How much is the new permit?*

Each annual permit is still \$20, no additional credit card fees.

- *Is there a permit for the boat ramps?*

Annual boat trailer permits are available to residents for \$75 and allow for parking at the Don and Egan boat ramps.

- *How do I know which permit type I am eligible for?*

You can view your eligible permit type via our online parking permit map. [Click Here to View Permit Map](#)

- *With going to digital permits, are there any changes to permit types and rules?*

No, there are no changes to permit types and rules. The only change is how permits are being issued. Instead of receiving a physical permit, permits will be associated with vehicle license plate number.
